

Photos & Highlights from 2009 Windmill Parent Retreat in Alexandria, MN

The view of Lake Geneva from the banquet hall and meeting rooms.

April 3, 2009

Enjoying the view before the banquet was served

Banquet was followed by *Including Samuel*:

The award-winning film documents one family's efforts to include their child with cerebral palsy in every facet of their lives. It explores experiences of several other families of children with different disabilities. It evokes laughter and tears—especially for parents on similar journeys. [Click here to arrange a viewing](#)
